Dear Tim and the Wootton Villagers,

Thank you so much for the wonderful sum of £500 raised from the sale of the calendars. I know that this year for various reasons it was a particular challenge to produce it in time, but once again there were so many generous people who were prepared to donate time and resources and our thanks go to all of you. It is a wonderful sum to raise and really is appreciated.

We have had a large number of changes in WMAS in recent weeks both of personnel and operational procedures, with the result that training, lasting 4 days with no additional work in your own time, is to be offered over the next few weeks, which is great news as we are desperately short of people. However, we will need to equip these new responders, so the funds are much appreciated.

Please once again pass on our thanks to all those who took contributed in any way.

Kind regards,
