Dear Tim and the Wootton Villagers,

Thank you so much for the wonderful sum of £100 raised as a result of carol singing. Particular thanks go to the organisers and musicians, without whom the event would not take place, an event which would be missed in the village.

As always, some of our kit is wearing out, so we will be able to replace some of those items and also pay for calibration of other pieces of kit, an annual cost.

Many thanks to all those who took contributed in any way.

Kind regards,
